An exact replica by Stephen Tailby Tue 19th May 2020 This shouldn't come as much of a surprise, but Mafia II: Definitive Edition comes complete with a set of Trophies. The PlayStation 3 title is coming to PS4, and it of course brings its own collection of trinkets. So, what does the refreshed PS4 release is identical to that of the 2010 action title. Right down to the icons used, you can expect a very familiar Trophy-hunting experience in the Definitive Edition. It's a pretty straightforward list and should be an easy platinum, but don't expect any changes. This also extends to the DLC packs, which come as part of the Definitive Edition. You can view the full Trophy list through here. Will you be picking up the plat for Mafia II, perhaps for the second time? Treat each other like family in the comments section below. [source psnprofiles.com] See Also Mafia II: Definitive Edition Review Related Games Mafia II: Definitive Edition (PS4) About Stephen Tailby Having grown up alongside PlayStation, Stephen has developed an eclectic taste in video games and a wide knowledge of the medium, from small indie gems to the biggest AAA blockbusters. Ever hopeful that the Burnout series makes a miraculous return. Staff Profile Twitter Reply Comments (7) Leave A Comment Hold on there, you need to login to post a comment...
